

Dear Cris,

Thank you very much for developing and sharing of the expert consensus document on the Recommendations regarding the prevention of fragility fractures in Spain.

These recommendations are in line with the vision and mission of the Fragility Fracture Network (FFN) Denmark, and the initiatives and recommendations we are working on in Denmark. For further information, please visit our website [Fragility Fracture Network Denmark \(ffndanmark.dk\)](http://ffndanmark.dk)

FFN Denmark is a national multidisciplinary network of healthcare professional and researchers who are involved in treatment, prevention, care and rehabilitation of fracture patients. FFN Denmark is a part of the FFN Global organization. Within the FFN Global, Danish healthcare professionals have worked closely together with healthcare professionals from Spain and undertaken several initiatives within Special Interest Groups such as scientific publications, reports and symposiums.

FFN Denmark's 1. Congress is going to take place in May 16, 2024 in Aarhus, where the latest aspects of fracture treatment including osteoporosis and falls prevention will be discussed.

FFN Denmark fully support the Spanish recommendations.

Good luck with your annual hip fracture audit meeting in March.

All the best from the FFN Denmark

Henrik Palm (President)

Jesper Ryg (Co-President)

Jan Arhnoltz Overgaard (Treasurer)

Christina Frølich Frandsen (webmaster)

Pernille Hermann (Past President)

Alma Becic Pedersen (Chair Organising Committee for FFN Denmark's 1. Congress)
